

```
33  public class TreeNode {  
34      Counter counter;  
35      TreeNode parent, right, left;  
36      Bin<T> bin;  
37      public boolean isLeaf() {  
38          return right == null;  
39      }  
40  }
```

FIGURE 15.4 The SimpleTree class: the inner TreeNode class.
